

~FALL 2009~

Topics

August 29, 2009	"Transcription and Translation"
September 26, 2009	Acids, Bases, Buffers and Biological Building Blocks
October 24, 2009	"Proteins"
November 21, 2009	"Biological Membranes: structure and function"
December 12, 2009	"Nucleic Acids"

~SPRING 2010~

January 16, 2010	"Proteomics"
February 13, 2010	"Spectroscopic methods of biochemistry"
March 6, 2010	"Metabolism "
April 10, 2010	"Molecular Biology"
May 1, 2010	"Physical Biochemistry"
