

Biochemistry Cumulative Examination Announced Topics for Fall 2008 & Spring 2009

~FALL 2008~

TOPIC

August 23, 2008	"Metabolism"
September 20, 2008	"Protein Structure"
October 18, 2008	"Spectroscopic methods of biochemistry".
November 15, 2008	"Biological Membranes: structure and function"
December 13, 2008	"Techniques in Molecular Biology"

~SPRING 2009~

January 17, 2009	"Transcription and Translation"
February 14, 2009	"Nucleic Acids"
March 28, 2009	"Enzymes"
April 18, 2009	"Carbohydrates and Glycoproteins".
May 2, 2009	"Proteomics"
