

CHM 11600 – Summer 2024

Office Hours

Virtual TA office hours via Zoom as posted on Brightspace.

Virtual Instructor Office Hours and Problem-Solving via Zoom: Dr. Starr will hold two weekly office hours on Mondays from 12:00-1:00 p.m. and Wednesdays from 9:30-10:30 a.m. On Fridays, Dr. Starr will post slides of practice problems on Brightspace with answers but no solutions. Monday's office hour will focus on answering questions about those practice problems or other problems from class or homework. Wednesday office hours will be informal and can include content questions or questions about grades, study strategies, etc. No office hours will be recorded. Please direct lab-related questions to Emile, Mauricio, or Luxus during their office hours. All office hours are posted on Brightspace.
