

CHEMISTRY TUTOR LIST

NOTE: The Department of Chemistry simply makes the list available. This is not a recommendation list. The Department does not assume responsibility for any potential problems that might arise between students and tutors. Reminder: Anyone teaching in a particular course is not allowed to tutor students (that is, take money or other compensation for helping them learn chemistry) enrolled in that course. **These tutors are only available to work with students attending Purdue University.**

If you would like to be included on this list, please complete the Qualtrics survey at https://purdue.ca1.qualtrics.com/jfe/form/SV_0jseHY3pgic2oSO.
