Chemistry Thesis Website can be found at https://www.chem.purdue.edu/academic_programs/thesisformat.php.

Please remember this is a “last day to…” schedule. Be sure to allow yourself plenty of time to make corrections after your first departmental thesis check.

*You need to have your thesis format approved AND schedule the defense with the Main Office at least 15 business days prior to your defense date.

*We encourage you to deposit your thesis with the graduate school the week following your defense but it MUST be uploaded no later than Thursday, 03/05/2020 for exam only and 04/30/2020 for regular registration.
