RE: Spring 2023 Graduation and Thesis Format Deadlines

Chemistry Thesis Website can be found at https://www.chem.purdue.edu/academic_programs/thesisformat.php.

Please remember this is a “last day to…” schedule. Be sure to allow yourself plenty of time to make corrections after your first departmental thesis check. *You need to have your thesis format approved AND schedule the defense with the Main Office at least 15 business days prior to your defense date.

*We encourage you to deposit your thesis with the graduate school the week following your defense but it MUST be uploaded no later than 3/9/2023 for exam only and 4/25/2023 for regular registration.

Last day to hold your final exam (defense) to meet the 4/21/23, 5 PM Graduate School deadline.

Tuesday, 4/25/2023
By 5 PM

Last day to submit a finalized version of the thesis/dissertation to HammerRR to meet the 4/26/2023, 5PM Graduate School deadline.

As part of the deposit process, students are required to submit and obtain full approval on an Electronic Thesis Acceptance Form 9, and complete the required Graduate School survey(s), including the Exit Questionnaire (all students) and the Survey of Earned Doctorates (doctoral students only) found in the plan of study generator. Thesis-option master's and doctoral students who miss this deadline but who still wish to graduate must submit a request for a deposit extension (endorsed by major professor and department head) to the Graduate School in Young Hall, Room 170, for consideration. If approved, the student should expect to pay a Late Graduation Deadline Fee of $200.
