Opening for Visiting Faculty Positions
for Foreign Nationals
http://www.iitbbs.ac.in/foreign-faculty-advt-2019.php

IIT Bhubaneswar is looking for dynamic Academicians and Professionals of international origin interested in spending one semester (about five months) to two years and participating in various teaching and research programs as Visiting Faculty Members. Depending on experience and merit, positions will be offered under the following categories:

- **Visiting Faculty at the level of Professor**: Consolidated monthly remuneration will be fixed at Rs. 1,50,000/- to Rs. 2,00,000 (approximately equivalent to USD 2300-3000) per month.

- **Visiting Faculty at the level of Associate Professor**: Consolidated monthly remuneration will be fixed at Rs. 1,30,000/- to Rs. 1,90,000 (approximately equivalent to USD 2000-2900) per month.

- **Visiting Faculty at the level of Assistant Professor**: Consolidated monthly remuneration will be fixed at INR 80,000.00 to INR 1,25,000.00 (approximately equivalent to USD 1200-1900) per month.

In addition, the Institute will extend the following benefits:

- Full support for To-and-Fro Air Travel in economy class
- Rent-free accommodation
- Office Space with computer, telephone and internet
- Free medical facility (OPD) at the Institute Hospital/ Option to avail Indian Medical Insurance cover
- Medical benefit (for self and dependent) up to Rs. 1,00,000.00 per annum
- Institute transport facility in lieu of travel allowance
- An allowance up to INR 50,000.00 for purchasing stationery, books, minor computer peripherals, and expenses for attending conferences in India.
Eligibility:
Faculty members/senior researchers from internationally-acclaimed Universities/ Institutions/ Industries outside India are eligible for the Professor and Associate Professor Positions. Bright fresh graduates with a Ph.D. degree (preferably with Post-doctoral experience, as well) are eligible for Assistant Professor Position.

Academic Assignments:
As a Visiting Faculty member of the Institute, one can get engaged in multiple assignments from among the following list:

- Teaching Core/Elective subjects,
- Co-Supervising Under-graduate (B.Tech), Graduate (M.Sc, M.Tech) and Doctoral (Ph.D.) students,
- Participating in externally funded projects as Co-Principal Investigator,
- Writing joint project proposals for International funding,
- Interacting/mentoring Under-graduate, Post Graduate, Doctoral students

There exists excellent scope to visit and collaborate with other sister institutions across India, like the IIT's (IIT Bhubaneswar encourages a Visiting Faculty to do so). There exists excellent scope to visit the heritage sites, and above all, a Visiting Faculty member from abroad under the present initiative can enjoy the Indian experience. We have been hosting Visiting Professors from USA, Canada, and UK, who stayed with us for varying length of time, in the recent past. It may be emphasized that IIT Bhubaneswar has got benefitted enormously from the contribution of the Visiting Professors to the teaching-learning-research eco-system of the Institute and they too have expressed that it had been a rewarding experience for them as well.

Expression of Interest with CV may be sent to:
