The Department of Chemistry seeks to fill two or more tenure-track or tenured faculty positions. We welcome candidates whose research interests are in any area of modern chemistry. Our department is a dynamic collegial community committed to cutting-edge multidisciplinary research and teaching, located in the heart of a vibrant diverse metropolitan area. Appointees will be expected to direct a vigorous original research program, to advise research students, to teach a broad range of undergraduate and graduate courses in the Department of Chemistry, and to participate in Departmental and University governance. Selection will be based on each candidate’s record of previous accomplishments relevant to these responsibilities and their potential for outstanding future contributions. Appointees must have completed all requirements for the Ph.D. or equivalent foreign degree by July 1, 2018 or later. Evaluation of applications will begin October 2, 2017 and will continue until the positions are filled. Candidates should apply electronically by following the link on our website (https://chem.umn.edu/news/seeking-tenure-track-or-tenured-faculty) and include the following: a cover letter, a curriculum vitae, a statement of overall research interests, a statement addressing anticipated contributions to the research and teaching missions of the department, a statement addressing the candidates experiences and commitment to diversity, and copies of their graduate transcripts. Candidates should also arrange to have three letters of recommendation sent as email attachments to chemfs@umn.edu or as hard copies to: Faculty Search Committee, Department of Chemistry, University of Minnesota, 207 Pleasant St. SE, Minneapolis, MN, 55455-0431. The University of Minnesota shall provide equal access to and opportunity in its programs, facilities, and employment without regard to race, color, creed, religion, national origin, gender, age, marital status, disability, public assistance status, veteran status, sexual orientation, gender identity, or gender expression.
