Title: “Expectations from Business: What Will You be Doing?”

Abstract:
Drs. Pochan and Wien will share their experiences going from grad school to industry. Topics to be included will be large business vs small, expectations from business, expectations from you, what you will be doing, advantages and disadvantages, family vs work, what to do if you are dissatisfied, plus other areas to cover your questions. Drs. Pochan and Wien will also be available for individual and/or group questions outside their presentations.

Drs. Wien and Pochan have experience at multiple levels of industry at several institutions including start-ups, XEROX, Eastman Kodak, S.C. Johnson & Sons, and Cornell University. In addition to their experience, Drs. Pochan and Wien hold multiple professional and technical awards, in addition to patents, recognitions, and fellowships.
