"DAY IN THE LIFE OF A MEDICAL WRITER"
VIRTUAL OPEN HOUSE

Wondering what medical writers do on a daily basis?

Interested in a career as a regulatory medical writer?

Come chat with Syner-G's panel of experienced medical writers to learn more!

This virtual event will include a "Day in the Life of a Medical Writer" presentation, a panel discussion answering participants' questions, and an opportunity to network with our team of Medical Writers.

September 14, 2022
6:30 - 8:00PM ET
