

Full-Time Lecturer of Analytical Chemistry: The Department of Chemistry and Physics at Indiana State University seeks applications for a one-year, full-time teaching position in analytical chemistry beginning August 1, 2024. Candidates should either have or expect to receive a Ph.D. in chemistry with a specialization in analytical chemistry by August 2024. The successful candidate will have a commitment to excellence in undergraduate teaching. Teaching responsibilities will include sophomore-level equilibrium and quantitative analysis and senior-level instrumental analysis lecture and laboratory courses, and General Chemistry I and II laboratories.

Please visit http://www.indstate.edu/chem_phys/ for further information about the Department.

Applicants should submit a cover letter that includes a description of teaching experience and interests, a full curriculum vitae, and copies of all undergraduate and graduate transcripts online at <https://jobs.indstate.edu/postings/47705>. Applicants should also arrange to have three confidential letters of recommendation uploaded by their letter-writers. **Please note that the references you provide on your application will receive a notification request for a recommendation letter immediately upon submission of the application.**

Any other correspondence should be directed by e-mail to the Department Chair, Prof. Jennifer Inlow (Jennifer.Inlow@indstate.edu).

Review of applications will begin May 1, 2024 and continue until the position is filled. Submit application materials online at <https://jobs.indstate.edu/postings/47705>.

Indiana State University is an equal opportunity employer committed to hiring people with many varied backgrounds, identities, and characteristics to join our institution; additionally, we are committed to providing reasonable accommodations for qualified individuals with disabilities and disabled veterans in our job application procedures.
