

SHENGMING MA

Fudan University and Shanghai Institute of Organic Chemistry
Shanghai, China

Title of Lecture: “Enantioselective Synthesis of Allenes from Terminal Alkynes”

Phone: +86 21 55665687

Fax: +86 21 64167510

Email: masm@sioc.ac.cn

Education:

1990 Ph.D. Organic Chemistry, SIOC
1986 BS Organic Chemistry, Hangzhou University

Research and Professional Experience

<u>School or Company</u>	<u>Position</u>	<u>Dates</u>	<u>Type of Work</u>
SIOC	Research Associate	12/1990-6/1992	OM Catalysis
SIOC	Associate Professor	6/1992-9/1992	OM Catalysis
ETH	Post-doctoral fellow	9/1992-9/1993	OM & Catalysis
Purdue University	Post-doctoral fellow	10/1993-3/1997	OM & Catalysis
SIOC	Associate Professor	3/1997-9/1997	Organic reactions
SIOC	Research Professor	9/1997-2/2003	Organic reactions
SIOC + ZJU	Professor	2/2003-9/2007	Organic reactions
SIOC + ECNU	Professor	9/2007-9/2014	Organic reactions
SIOC + Fudan U.	Professor	9/2014-present	Organic reactions

Research Interests

Methodologies, Target Synthesis

Awards and Honors

1992 First-Class Natural Science Awards of Chinese Academy of Sciences
1994 Research Accomplishments Award (issued by Dr. Negishi)
1997 First-Class Natural Science Awards of Chinese Academy of Sciences
1999 Second-Class National Natural Science Awards
2004 Mr. and Mrs. Sun Chan Memorial Award in Organic Chemistry
2004 First-Class Award for Progress in Science and Technology of Shanghai
2005 OMCOS 13 Award
2005 Member of Chinese Academy of Sciences
2006 Second-Class National Natural Science Awards
2008 Member of TWAS
2010 First-Class Natural Science Award of Shanghai
