

SHIQING XU

Purdue University, Department of Chemistry
West Lafayette, Indiana 47907

Title of Lecture: “ZACA–Transition Metal-Catalyzed Cross-Coupling for Highly Enantioselective Synthesis of Various Types of Chiral Organic Compounds”

Phone: +1 765-494-5459

Fax: +1 765-494-0239

Email: xu197@purdue.edu

Education:

2009 Ph.D. Medicinal Chemistry, Fudan University

2004 BS Pharmacy, Fudan University

Research and Professional Experience

<u>School or Company</u>	<u>Position</u>	<u>Dates</u>	<u>Type of Work</u>
Purdue University	Postdoctoral Associate	04/10-04/13	Org. & organomet. chem.
Purdue University	Assistant Research Scientist	05/13-present	Org. & organomet. chem.

Research Interests

Organometallic Chemistry and Catalysis

Awards and Honors

2006	National Scholarship for Graduate Student, Fudan University
2007	National Scholarship for Graduate Student, Fudan University
2008	Daiichi Pharmaceutical Scholarship, Fudan University
2009	Graduate Student Innovation Research Grant of Fudan University
2013	Springer Poster Award, 17 th IUPAC International Symposia on "OrganoMetallic Chemistry directed towards Organic Synthesis" (OMCOS)
2014	Negishi-Brown Lecturer at 7 th Negishi-Brown Symposium
