

CHEMISTRY TUTOR LIST

NOTE: The Department of Chemistry simply makes the list available. This is not a recommendation list. The Department does not assume responsibility for any potential problems that might arise between students and tutors. Reminder: Anyone teaching in a particular course is not allowed to tutor students (that is, take money or other compensation for helping them learn chemistry) enrolled in that course

If you would like to be included on this list, please complete the Qualtrics survey at https://purdue.ca1.qualtrics.com/jfe/form/SV_0jseHY3pqic2oSO.
